## PRODUCT SPECIFICATION SHEET

### SILAGE & FEED

# HiLife Premium Baby Corn Silage

*100% young baby corn · rich in vitamins & minerals*

Made from 100% young baby corn plants harvested at the perfect stage, finely chopped, scientifically fermented and vacuum packed. High energy, protein, vitamins and minerals. Soft texture ensures easy digestion — ideal for calves, growing heifers and lactating cows. No chemicals, no preservatives, 12-month shelf life.
