

HILIFE DAIRY SOLUTION

PRODUCT SPECIFICATION SHEET

DAIRY MACHINERY

HiLife AC Induction Motor (1 HP)

0.75 kW single-phase AC induction motor · 1 HP

The proven HiLife Dairy Solution electric motor — 0.75 kW / 1 HP single-phase AC induction motor. Runs at 1440 RPM on 220 V / 50 Hz. Continuous rating, 100% copper winding, Class 'A' insulation, overload protection. Rust-resistant powder-coated housing. Ideal for chaff cutters, water pumps, fodder cutter machines and other dairy equipment. Made in India. ISO 9001:2015, ISO 14001:2015, OHSAS 18001:2007 & CE / RoHS certified.

Specifications

Power	0.75 kW / 1 HP
Phase	Single phase
Voltage	220 V AC
Frequency	50 Hz
Speed	1440 RPM
✓	100% copper winding
✓	Class 'A' insulation
✓	Overload protection
✓	Rust resistant
✓	Continuous duty (24/7)
✓	Made in India
