

HILIFE DAIRY SOLUTION

PRODUCT SPECIFICATION SHEET

COW COMFORT

HISPEED FAN

Our Hispeed Fan is designed to provide optimal cooling for dairy farms, ensuring the health and productivity of your livestock.

The fan features a powerful motor and durable blades, making it suitable for large-scale dairy operations. It is easy to install and maintain, and its quiet operation ensures a peaceful environment for your cows. The fan's adjustable speed allows you to tailor the cooling to the needs of your specific climate and herd.
